SHINDE

OKUTI

SHINDE

Nestled on a lush palm island in the heart of the northern Okavango Delta, Shinde is an intimate, classic camp located on the edge of Shinde Lagoon, which simply teems with animal and birdlife. The camp's unique main area comprises a multi-tiered dining room and lounge which is set under canvas under the shade of ebony and mangosteen trees.

OKUTI

This delightful camp lies alongside the Maunachira River which flows through Xakanaxa Lagoon within the world renowned Moremi Game Reserve, Okuti is built amidst the wilderness of one of Botswana's prime game viewing regions.

KANANA

A hidden jewel on the Xudum River, Kanana is located in the southwest of the Okavango Delta. The area encompasses a necklace of islands dotted with palms, figs, ebony and knobthorn, and is home to a myriad of birds, plants and animals. The nature of the habitat means it is the perfect place to experience the diversity of species found within the Okavango Delta.

YOUNG EXPLORERS

The Young Explorers package is a specially designed safari which offers families the opportunity to discover the wonders of the African wilderness together. One of the special attractions of this safari is its exclusivity.

FOOTSTEPS ACROSS THE DELTA

A walking safari that maintains the elegance and eccentricity of the original 'under canvas African safari'. The emphasis is on exploring this breathtakingly beautiful and diverse environment as the first African explorers did, on foot.
