

TINTSWALO

ATLANTIC

Nestled at the base of Chapman's Peak, overlooking the Cape's iconic Sentinel mountain, lies the elegant Tintswalo Atlantic. Perched on the shoreline, with waves crashing onto the pebbled beach just metres away and the ocean rolling in to kiss the foot of the hotel decks, one is left with the impression that they have arrived at the edge of the world.

Each of the ten luxury suites are individually decorated to mirror the exotic personalities of ten islands of the world, ensuring each guest a unique experience. Renowned for personal service and charming staff, Tintswalo Atlantic offers guests the ultimate gift of sublime setting and an unforgettable stay.

Having been described as the most dramatic and romantic destination in Southern Africa, Tintswalo Atlantic promises to be an idyllic location to rejuvenate oneself, away from the stresses and distractions of modern living.
