

JABULANI

SOULFUL SAFARI EXPERIENCE

Why elephants? Not only all about elephants... See for yourself why we say Soulful Safari Experience. Jabulani is located in the Greater Kruger Area, in one of South Africa's best-rated Big Five game reserves.

Jabulani's six suites and two family villas ensure a soulful, personalised and intimate stay for honeymooners, solo travellers and families.

Jabulani was built to sustain a herd of rescued elephants, more than twenty years ago, and has led to the establishment of South Africa's first dedicated elephant orphanage, called HERD (Hoedspruit Elephant Rehabilitation & Development).
