

# NATURAL SELECTION PREMIER BOTSWANA

North Island Okavango | Tuludi | Tawana

This is an unforgettable Delta experience, taking you to three exclusive areas of the Okavango Delta. Spend seven days at three of our premier Okavango Delta camps. North Island Okavango is located on a private island, surrounded by a mosaic of other islands all netted together by shining lagoons and transient channels.

Tuludi is located in the pristine wilderness of the Khwai Private Reserve to the east, with game-rich floodplains, winding waterways and emerald forests attracting all the stars of the safari show.

Set amid the pristine landscape of Botswana's acclaimed Moremi Game Reserve, our new premier camp, Tawana, offers an unrivalled discovery of the Okavango Delta. This is most certainly a quintessential Delta experience.
