

BOSCHENDAL WINE ESTATE

EXPERIENCE BOSCHENDAL:
A JOURNEY OF CONNECTION AND ABUNDANCE

At Boschendal, time slows, and the beauty of the land invites you in. Your journey begins in a cozy Retreat Cottage, where the stillness of the mountains wraps around you, and nature whispers at your window.

Feel the warmth of connection as you spend time with the children of Excelsior School, our CSI initiative that embodies hope and growth.

You'll wander shaded gardens and savour a Werf Picnic beneath ancient oaks, where every bite carries the freshness of our farm's soil. As the day softens into evening, let award-winning wines awaken your senses before a Harvest Feast in the Mountain Villa—a table set with stories, flavours, and shared laughter.

Awake to the crisp morning air and explore hidden trails on a sunrise hike, followed by a guided tour of the farm, where every corner holds a story of regeneration and care.

Finally, gather for a farm-style lunch, where the simplicity of fresh ingredients becomes something extraordinary.

Boschendal isn't just a place to visit—it's a place to feel, to taste, and to belong. Come and let the farm's rhythm become your own.
