

EXPLORE SIDEWAYS

GLOBAL ICON – PRIVATE MILLINERY WORKSHOP

Milliner Extraordinaire, Crystal Birch, opens up her Cape Town Central studio to Explore Sideways for a private hat-making experience.

“A leading lady in the sartorial landscape of South Africa - and when it comes to hats or anything adorning the head, she is the go-to for the countries’ most creative characters.”

Under Crystal’s watchful eye, every hat is designed and imbued with its own unique essence by an incredible in-house team; championing local production for global locations.

Design your very own one of a kind piece, with Crystal Birch! Returned to you, complete with hat box, before the end of WAA
