

SPIER

DISCOVER THE ART OF COMFORT AND CONNECTION AT THE NEW SPIER HOTEL

Be among the first to explore the incredible transformation of one of the Winelands' most iconic destinations.

Nestled within the Cape Floral Kingdom, the new Spier Hotel offers an immersive escape where nature and comfort blend seamlessly. Wild-landscaped indigenous gardens frame 80 luxury rooms and suites, appointed in an elegantly pared-back Cape style with a twist of art, history, and characteristically curated Spier comfort.

Indulge in true farm-to-fork dining at two new restaurants and three bars, where seasonal flavours from our farm meet our award-winning wines. Relish rooftop sunset views or unwind by the Winelands' largest heated pool.

Rejuvenate in our new spa and Cape Herbal Bath House, featuring treatments inspired by the Cape's healing botanicals, grown in our apothecary gardens. Discover contemporary art, and immerse yourself in our regenerative farm.

Located just 30 minutes from Cape Town International Airport, Spier is the perfect escape to recharge, whether pre- or post-show. Be part of this exciting new chapter for Spier.
