

VOLCANOES SAFARIS

6 DAY GORILLA, CHIMPANZEES AND WILDLIFE SAFARI:

VIRUNGA LODGE, MOUNT GAHINGA LODGE, KYAMBURA GORGE LODGE & KIBALE LODGE

Pioneers of gorilla and chimpanzee eco-tourism in Uganda and Rwanda since 1997

Volcanoes Safaris has had a clear vision during our 25 year journey: to develop lodges that are sensitive to local culture and aesthetics, connect to local communities and conservation of great ape species and seek to use resources responsibly.

We are the only company in the world to focus exclusively on the gorilla and chimpanzee parks of Uganda and Rwanda, a very rare and distinct type of eco-tourism. We have three lodges near the mountain gorilla parks: [Virunga Lodge](#) in Rwanda and [Bwindi Lodge](#) and [Mount Gahinga Lodge](#) in Uganda. [Kyambura Gorge Lodge](#) and [Kibale Lodge](#), opened in early 2024, focus on the chimpanzees.

The 6-day safari combines Virunga Lodge, Mount Gahinga Lodge, Kyambura Gorge Lodge and Kibale Lodge, allowing guests to experience the Golden monkeys, majestic mountain gorillas, experience ancient Batwa culture at Gahinga, learn about gorilla conservation, enjoy a game drive, a wildlife boat cruise on the Kazinga Channel, track Chimps and visit Rwenzori Sculpture Gallery.
